Kim Baker is a respected equine specialist and the founder of KB Natural Horsemanship. Kim has been working with horses for over nine years. She writes for local and national magazines, and international online information sites. In her field, Kim stands out in that she works with the whole horse (mind, body, spirit) as an individual instead of a one size fits all approach. Kim assesses each horse and rider to develop customized training packages that assist horse and rider in achieving their goals. Whether your goal is riding the trails or the performing in the show ring, Kim can get you where you need to go!
